TKO Phosphite 0-0-26

GROWTH PRODUCTS

GUARANTEED ANALYSIS

Soluble Potash (K2O) 26.0%

Derived From: phosphorous acid, potassium hydroxide.

PRODUCT DESCRIPTION

"TKO" Phosphite™ (0-0-26) contains 28% phosphite from mono- and di-potassium salts of phosphorous acid. It is highly soluble and is rapidly absorbed through both leaves and roots.

STORAGE & HANDLING

Caution: Do not apply together with copper containing products. Avoid application of copper containing products 20 days prior to the application of "TKO" Phosphite and for 10 days after the application of "TKO" Phosphite . Do not use surfactants or adjuvants with this product.

Storage: All Growth Products professional liquid fertilizers can be stored in normal warehouse areas and are not affected by freezing temperatures. "TKO" Phosphite 0-0-26 has a neutral pH and is not corrosive.

Mixing: High quality buffers allow "TKO" Phosphite 0-0-26 to be blended with acidic or alkaline materials without detrimental effects. Always use a jar test before mixing chemicals in your tank. The following mixing procedures should be used after "TKO" Phosphite 0-29-26 has been diluted with water. Add products to mix in this order: 1. wettable powders, 2. flowables, 3. water solubles, 4. surfactants, 5. emulsifiable concentrates. Be sure to agitate during each addition. Be sure each product is mixed well before adding the next technical material. It is recommended to apply all of mixture in one day.

FIRST AID	
IF SWALLOWED:	Call a poison center or doctor if you feel unwell: Rinse mouth.
IF IN EYES:	Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison center/doctor.
IF ON SKIN:	Remove contaminated clothing and wash skin with plenty of soap and water. If skin irritation occurs, get medical advice/attention.
IF INHALED:	Call a poison center or doctor if you feel unwell.
You may also contact 1-800-992-5994 day or night for emergency treatment information. If medical advice is needed, have product container or label at hand (P101), Keep out of reach of children (P102), Read label before use (P103).	
STORAGE: Keep container tightly closed. May be stored in unheated area, but keep from freezing. Store in areas inaccessible to children and pets. DISPOSAL: Dispose of contents/container in accordance with local/regional/national/international regulations. Do not reuse container.
