

Liquid Potassium 0-0-25

Liquid Potassium (0-0-25) is a concentrate potassium fertilizer solution made from only the highest quality technical grade potassium acetate. Liquid Potassium provides you with 100% soluble potassium for immediate plant and turf uptake through both foliar and root feeding. Liquid Potassium can be applied throughout the growing season to correct potassium deficiencies quickly. As a fall fertilization product, it provides the maximum amount of potash in solution, and will help to improve stress tolerance from drought, winter and traffic. Since all nutrients are in a soluble form, turf can respond within a few days of applications. Since all Growth Products fertilizers are TRUE SOLUTIONS no special agitation is needed.

-  **No Chlorides/Low Salt Index**
-  **Immediately Available potassium**
-  **Improves Heat Tolerance**
-  **Foliar and Root Uptake**

Liquid Potassium 0-0-25

GUARANTEED ANALYSIS:

Soluble Potash (K_2O) 25%

Derived From: Potassium Acetate.

Foliar Turf Applications:

Application	Rate Per 1,000 FT ²	Frequency / Notes
All Types of Cool and Warm Season Grasses	2.5 - 4 oz	Apply every 7-21 days.
